IMPORTANT INFORMATION – ROOM RESERVATIONS – 2011 SENIOR SOFTBALL

This page must be signed at the bottom by a coach or representative from the team.

Team Name: _____

Order of reservations: Space will be blocked for teams based on the order of receipt of completed room reservation forms. **Partially completed forms may not be considered as received** so, be sure that all appropriate sections are complete before forwarding your form to BeeLine Travel.

Hotel preferences: Please carefully review information for the hotels listed before deciding on your preference. **All rooms blocked are non smoking.**

Confirmations: **Confirmation information** will be emailed, mailed, or faxed to the team representative **approximately ten days prior to arrival.** The information will include the name, address, and telephone number of the hotel along with the rate, confirmation numbers, and other pertinent information.

Changes: *It is critical that BeeLine and not your hotel be advised of all changes, additions, and cancellations.* Because it is likely that there will be many changes among teams at each hotel names and/or updates are not given to the hotels until close to arrival. **Please advise everyone on your team who may have reserved rooms to not call the hotel directly to make changes** as the person reached at the hotel may not have the information necessary to assist. Also, since computer generated rooming lists will be sent to the hotels by BeeLine at specific times, **changes made directly with the hotel may be automatically overridden causing confusion at check in.**

Room information: Note that bedding configurations are included in the codes for each hotel. **Be sure to pay attention to room types when requesting rooms. Hotels where we have more than one room type are listed twice. If your team needs both rooms types, be sure to indicate how many of each. Our contracts with all the hotels state that there will be a maximum of four persons in each room. For hotels willing to accept more than four persons in rooms, they may charge for extra persons.** Please notify us in advance if any rooms will be occupied by more than four persons.

Room guarantees: **Reservation guarantees are required.** Therefore, to hold rooms for your team at least one **credit card number** must be provided. Be sure all credit cards are valid. **No credit card information will be forwarded to any hotel until after your team agrees to the hotel offered.**

Cancellation: In order to negotiate the lowest rates and block large numbers of rooms it is necessary to protect hotels against excessive last minute cancellations. Teams also must be allowed some flexibility in order to accommodate for unforeseen circumstances. Therefore, hotels have agreed to a “phase out” cancellation policy. That policy is as follows: **No penalty for cancellations received before noon 15 days prior to arrival.** Between 15 days at noon and noon eight days prior to arrival teams may cancel individual reservations. Each room canceled in excess of 30% of the rooms that were held at 15 days will be charged a one night room and tax penalty. Between noon eight days prior to arrival and noon two days prior three rooms maximum per team may be canceled although the 30% maximum will still apply. Each no show and cancellation of a room inside 48 hours will result in a penalty of one night room and tax.

Team representative agreement: I have read and understand all of the above and I agree to distribute copies of this page to everyone on our team so that they will be aware of all rules and policies pertaining to their hotel stays.
